GUAL is located in the small village of Paredes, in the north of Portugal. Wih more than 80 workers, the company is now a relevant player in the furniture industry for those seeking for affordable top-end quality products. It is indeed a cost effective luxury supplier expecting to expand its presence worldwide.

The brand materializes in pieces of furniture the design, the creativity and the know-how acquired over more than 15 years of experience. Never forgetting the traditional knowledge of the old generations, combined with technology allows the intern design and technical team develop all kind of projects, standard or tailor made, for home, office or hotels.

An ongoing and careful observation of trends and customers' needs are the guidelines to produce timeless furniture items. It started in the beginning of the 21st century as a small workshop, gathering a group of hard working friends, headed by Gualter Torres, with passion, dedication and skills, and soon became an international recognized brand. Since then GUAL creations have been displayed to the world from Valencia, Cologne, Milan, Singapore, London and Miami trade shows. Started to export abroad, first to Europe and then overseas. One single headquarters for production, fully equipped with the latest technology and precision in woodworking; one single headquarters for management. All concentrated in one. The company was established in the core of a region that exhales woodworking expertise and craftsmanship from every pore, since mid-19th century.

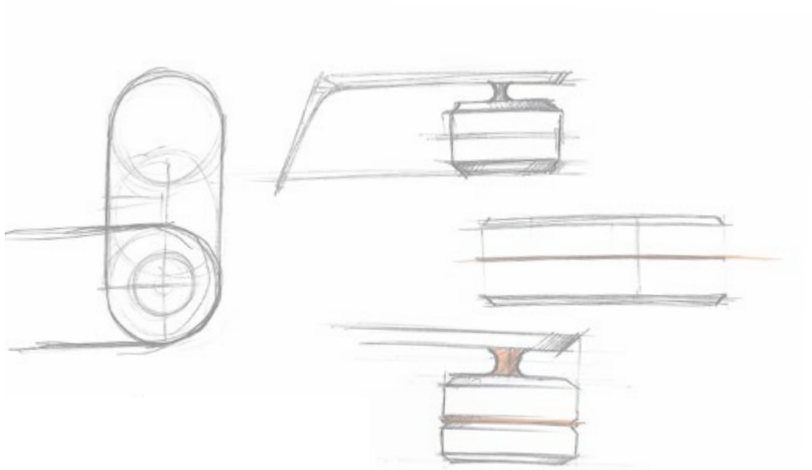

Generations of artisans developed their skills and passed on to their descendants. The family of workers that embodies GUAL crew is made from that substance. In addition to the craftsmanship, every detail is inspected and packed with care to grant the delivery of spotless items. Delicate looking surfaces, glamorous movement and stiff feel shall be expected from all GUAL creations. Driven by the experience, once one becomes a customer, he/she will be a customer for life. Every delivered item is expected to be part of our customer's family, and shared with future generations. Timeless, long lasting classics is what GUAL products will ultimately become.

"We are passionate about furniture design."
